PROVENCE

// Negli anni la regione Provenza ha ispirato diversi artisti e scrittori, tra cui anche nomi celebri come Dante Alighieri. La bellezza dei suoi territori ha ispirato anche noi, tanto che abbiamo deciso di dedicargli una serie di gres porcellanato effetto pietra. Nasce quindi Provence, declinata in quattro nuance delicate ma decise, disponibile in diversi formati e finiture per indoor e outdoor.

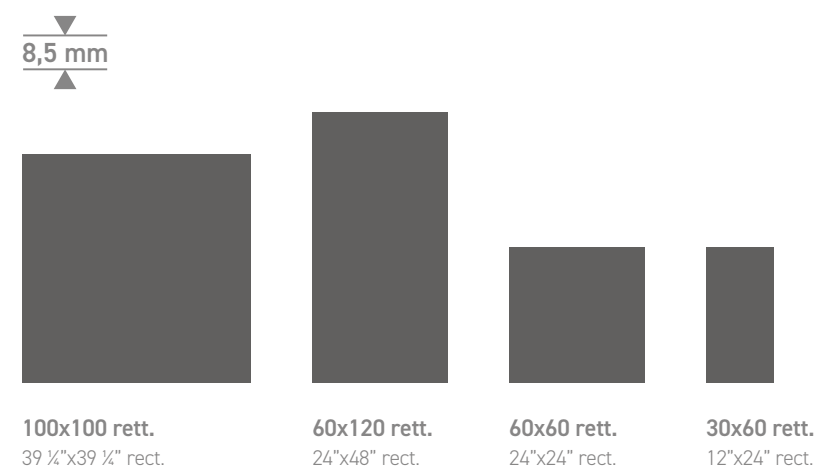

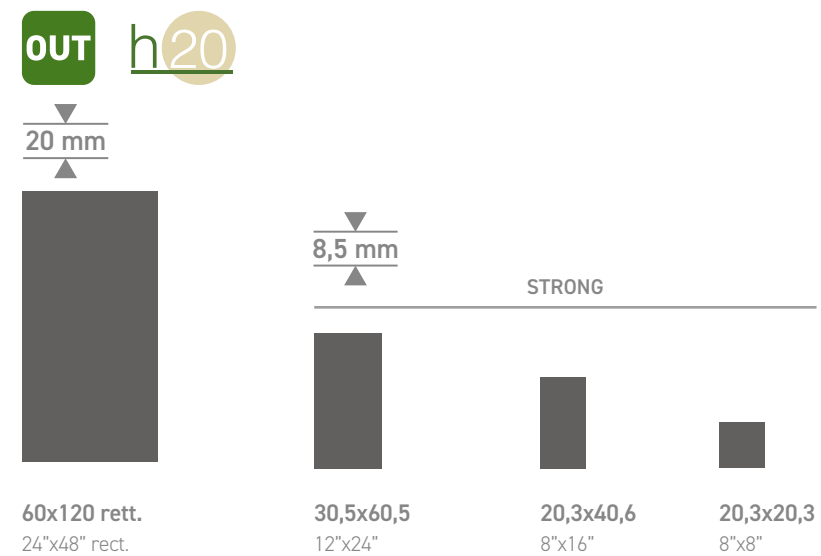

The beauty of the territories of the region Provence has inspired several artists and writers, including famous one like Dante Alighieri. In this sense, Ceramica Rondine decided to create a new series of stone-effect called Provence available in four colours and different sizes, perfect for both in and outdoor environment.

Au cours des années, la région Provence a inspiré plusieurs artistes et écrivains, tels que Dante Alighieri. La beauté de ses territoires nous a inspirés, à tel point que nous avons décidé de lui consacrer une série de grès cérame effet pierre: la série Provence, disponible en quatre couleurs et différents formats, parfait tant pour l'extérieur que pour l'intérieur.

Im Laufe der Jahre hat die Provence mehrere Künstler und Schriftsteller inspiriert, darunter Dante Alighieri. Die Schönheit seiner Gebiete hat uns auch so sehr inspiriert, dass wir beschlossen haben, ihm eine Reihe von Steinzeug mit Stein-Effekt-Porzellan zu widmen. Genauso wurde die Provence geboren, vorrätig in vier Farben und verschieden Formaten, perfekt für innere und außen Umgebungen.
